CARAVANS

All content is the exclusive intellectual property of New Age Caravans.

Unauthorized reproduction of this content is illegal and prosecutable under Australian Intellectual Property Law.

It is customer's responsibility to ensure that the caravan suits the intended tow vehicle.

The payload indicates the maximum permissible loading capacity. It is the users responsibility to ensure this is never exceeded.

It is the customer's responsibility to ensure that the payload is distributed throughout the van, to provide adequate and safe ball weight.

New Age Caravans is not responsible for any aftermarket modifications, nor subsequent issues arising due to these modifications.

I hereby acknowledge that I have gone through the plan and specification sheet.
